THE GENERAL CONFERENCE MENNONITE CHURCH

FOREWORD

Once again we present the annual Handbook of Information. The 1956 issue follows largely the pattern of last year, and we continue the classification of the ministers according to their present status. If the category in which you as a minister find your name does not accurately reflect your status, we invite you to write us in regard to this matter.

We have again sought to make improvements wherever possible. We appreciate the suggestions which some of you have sent in during the course of the year. We have aimed at accuracy and have endeavored to make the information just as up to date as possible. In spite of this, some information will be out of date as soon as the book comes off the press. We live in a changing world and certainly the affairs relating to our churches and Conference are not static either.

For practical purposes, and to make it easier for you to find the information you are looking for, the book is divided into three divisions as follows:

Part I. Organization and information in the General Conf. (p. 1-65)

1. Officers and Boards
2. Missionaries in the field
3. MCC Personnel
4. Lists of Ministers
5. Statistics

Part II. District Conference Information. (Pages 66-73).

Part III. Conference-Related Institutions. (Pages 74-78).

Herewith we wish to thank those pastors through whose co-operation the publication of this book has become possible. Acknowledgment is also made to Edna Ruth Mueller who has had a large share in assembling the materials and in typing the manuscript; to A. J. Richert who by his expert knowledge of printing has helped to see the materials through the press and has given many valuable suggestions for improvement and the arrangement of materials to make them most practical; and to all the members of the Office Staff who have given of their time and effort in preparing copy, proof reading, etc.

THE CENTRAL OFFICES AT NEWTON, KANSAS

Some years after the General Conference was founded and Mennonite churches in various parts of the country were joining because in this organization they saw the opportunity for the world-wide outreach of Christian service that they were looking for, some Conference leaders became aware of the need for a central office and treasury. Among those leaders was Rev. H. P. Krehbiel who proposed and promoted the central offices' plan, but did not live to see it established.

After his death his daughter, Mrs. Elva K. Leisy, of Dallas, Texas, was encouraged by Rev. C. E. Krehbiel to deed the building at 722 Main St., Newton, Kansas, to the Conference as the "home" for the Conference and as a memorial to her parents. The central treasury and administrative office was established and in rapid succession the offices of the various Conference boards, publication office, Women's Missionary Association and the Y.P.U. were added. This has resulted in more effective service.

On March 23, 1955, the building adjoining the central offices on the south was dedicated by the Conference. Here again Mrs. Leisy deeded the building to the Conference (this time on an annuity basis) for the purpose of bringing together in one building the publication office, the bookstore, work and storeroom—and in close proximity with other conference offices. The building was remodelled by the Conference at a cost of approximately \$12,000.

With this addition, the central offices of the Conference are in a position, not only to handle the mission and other work of the Conference more expeditiously and economically, but also to take care of the fast expanding work of the Conference as well.

It would be well if all members of the Conference would visit these offices, and see for themselves the work being done and meet the persons doing it.

1. *The Section on Foreign Missions*, which calls, sends out, and supervises the work of missions and of missionaries in foreign mission fields.
2. *The Section on Home Missions*, which calls, sends out, and supervises the work of missions and of missionaries in home mission fields.
3. *The Committee on Church Unity* promotes unity among member churches of the Conference and among branches of Mennonites around the world. It also receives applications from congregations and conferences for admission into Conference membership.
4. *The Committee on Evangelism* promotes interest in and training for an effective Gospel witness in our churches and mission points at home and abroad.
5. *The Committee on Mission Personnel* promotes interest in and training for full-time Christian service in mission fields at home and abroad.
6. *The Committee on the Ministry* is responsible for promoting a program of recruiting for the ministry, for ministers' scholarships, for counseling in regard to training, for arranging retreats for ministers, and for providing an effective program of placement of ministers.

MISSION ACCOMPLISHMENTS IN 1955

This section of our 1956 Handbook of Information is somewhat unique because right after the close of 1955, I could be on our mission fields in Africa and Asia to see the accomplishments of 1955. I could meet the hundreds of new Christians—babes in Christ, I could encourage them and in turn be encouraged to trust the grace of God more fully for further accomplishments.

In Congo, India, Formosa, and Japan, I met with young congregations; the congregations in Formosa and Japan are very young, not yet five years old. After the message, I always gave opportunity to ask questions. One of the many important ones was how to remain true to Christ through the years, into old age.

As an accomplishment, I wish to list the increase of the spirit of evangelism in Christians. Christians in Formosa and Japan especially desire to bring the gospel to their country—even at considerable material cost to themselves. This helps form an indigenous church. The influence of the good news of salvation is stronger than ever. Thank God for this.

1955 was marked by a decision to sponsor the Mennonite Biblical Seminary with the (Old) Mennonites. This has since become a

reality with the seminary opening in Montevideo, Uruguay, on April 10.

Another decision was to purchase the Community Center at Camp Landon, Gulfport, Mississippi. We expect that this will be a preface to a more far-reaching ministry, especially to the young people, in this area where racial tensions are extreme.

There has long been a feeling that the Indian American fields should be considered a part of our Home Missions work and as of January 1, 1956, this change was made. The situation is now more in line with the concept that our Indian Americans are not separated from us by artificial distinctions. We are grateful for the decisions of 1955 that make 1956 another year of opportunity in the Master's Kingdom.—John Thiessen.

WE GIVE THEE THANKS OH GOD

Special cause for rejoicing at the beginning of the tenth year of school work at the school-home for children in Cachipay is the possession of the official license permitting us to function, which was granted by the Ministry of Education. This concession of this license has been a matter of special prayer during the past year. For lack of it many schools have been closed, and during the past year the Cachipay school was seriously threatened with closure. We raise our hearts in grateful thanks to God for the possession of this license.

Relationship With Congo Inland Mission

The Board of Missions entered a cooperative arrangement with the Congo Inland Mission in 1943. Until that time the Evangelical Mennonite church and the Central Conference had unitedly worked the Congo Inland Mission field. (The Evangelical Mennonite Brethren Conference entered Congo Inland Mission at the same time, that is, in 1943.)

In recent years the Central Conference has joined General Conference and the Evangelical Mennonite Conference and the Evangelical Mennonite Brethren Conference have joined.

The Congo Inland Mission Board is composed of representatives of all these Mennonite Conferences. Present General Conference Mission Board members on the Congo Inland Mission Board are: Rev. A. E. Kreider, Dr. S. F. Pannabecker, Rev. Lotus Troyer, and Rev. John P. Suderman.

Mission candidates from General Conference churches are processed by our own General Conference Board of Missions, and if accepted they are recommended to the Congo Inland Mission. If suitable for a given opening they are sent out by the Congo Inland Mission Board, our conference paying transportation, personal and field allowances, though they work under the Congo Inland Mission Board.

THE BOARD OF EDUCATION AND PUBLICATION

Preparing for life and growth, writing to inform and teach, printing and selling to reach, helping the mind to see, interpreting the past for the future, and teaming up our church schools for teaching, are some of the many responsibilities of the Board of Education and Publication.

Preparing for Life and Growth

Each Christian experience takes place in either the church, the home, or the community. It is in these important areas of living and growing that the Committee on Education in Church, Home, and Community has its sphere of concern. Projects that it has worked on include family worship, boys' work, leadership education, Sunday school promotion, junior program materials, youth work, retreat work, and doctrine and tract publications. This committee is proposing a series of local Sunday school workshops during 1956 and 1957. It also serves in an advisory capacity to the Young People's Union.

Writing to Inform and Teach

Most material published in our Conference is developed or reviewed by the Editorial Committee. These publications include our church papers, such as *The Mennonite*, *Der Bote*, *Der Kinderbote*, and the *Junior Messenger*. It also includes all of our Sunday school materials as well as many others. The biggest project that this committee is developing is a new series of graded Sunday school materials which will be especially designed to teach the Bible more thoroughly to children.

Printing and Selling to Reach

It is not enough to produce materials; they must also be printed and sold. *The Publishing Committee* is responsible for these business interests. Selling is done through the three Conference bookstores in Berne, Indiana; Newton, Kansas; and Rosthern, Saskatchewan; and the Mennonite Publication Office. Conference printing is the job of the Mennonite Press, North Newton, Kansas, which is owned jointly by the Board of Education and Publication and Bethel College. These stores and the Mennonite Press rather serve to make earnings for the Conference which can be used for future publications. The Publishing Committee has also participated in a project with two other Mennonite groups to produce the *Mennonite Encyclopedia*, the first volume of which appeared in 1955.

Helping the Mind to See

A growing area of teaching in our Conference has been in the use of audio-visual aids. To be of service to those who use these teaching aids, the *Visual Aids Committee* has been established. This committee reviews and evaluates current audio-visuals and also is in charge of depositing and dispersing slides and filmstrips.

Interpreting the Past for the Future

The Historical Committee has microfilmed

many important historical documents relating to the development of the Mennonite Church in Europe and America and has made them available for the study of our students. During 1955 the committee produced another number in the Mennonite Historical Series, this one called "Exiled by the Czar" dealing with the Mennonite migration of 1874.

Teaming Up Our Church Schools for Teaching

The Educational Institutions Committee attempts to co-ordinate the interests of the various institutions for education in the General Conference. This is done through meetings at which common problems are studied. The committee is also concerned with promoting the cause of Christian education.

A Voice for Witnessing

The Radio Committee operates within the organization of the Board of Education and Publication striving to communicate our faith through the medium of radio. It produces a devotional program "Faith and Life" on KJRG, Newton, Kansas, every weekday at 6:45 a.m. and 12:15 p.m.

The budget of the board for 1956 is \$49,400. Because of anticipated earned income from Mennonite Press, Bookstores, and Publication Office, we need raise only \$46,000 from church contributions. Items included in the budget are the work of the board's committees, subsidy for the Young People's Union training-in-service program for future workers in the field of Christian education, the sponsoring of an orientation program for writers of the graded Sunday school curriculum, the production of the Mennonite Encyclopedia, production of the Youth Hymnary, junior program materials, the reprinting of Grade 3 of the Summer Bible School series, and building up a reserve for graded Sunday school curriculum production.

THE CONFERENCE NAME

In all legal matters, such as deeding property to the Conference or making a will in which there is a bequest for the Conference, be sure to use the proper legal name and address of the Conference, which is: The General Conference Mennonite Church, 722 Main Street, Newton, Kansas.

BOARD OF CHRISTIAN SERVICE

The Board of Christian Service works in the field of relief, hospitals and homes, peace, voluntary service, mutual aid. Much of this work is done in co-operation with other Mennonite groups through Mennonite Central Committee. Certain aspects are done separately as a conference, particularly in peace education, mutual aid loans and special help in Mexico and South America. A summary of some major aspects of 1955 work follows. We are deeply grateful to our Lord for what was possible in this aspect of "faith working through love" (Gal. 5:6).

1. Support of MCC work: About three-quarters of the total Board of Christian Service budget funds go to undergird and support the work of MCC in relief and service work. This amounted to \$133,937 in 1955 and included contributions from General Conference U. S. churches only. MCC works in 18 countries of Europe, Asia and S. A.

2. Service through Personnel: The total working team in the Board of Christian Service sphere is over 300. About 75 work directly under the Board in General Conference summer service and in round numbers about 225 work in various aspects of MCC program. The General Conference has about 50 in foreign relief and Pax, 50 in long term VS, 50 MCC office and mental hospital staff and 150 in summer service.

3. Conferences: The Board participated in the planning and program of the following conferences: the Believers' Church Conference held in August in Chicago; the Christian in Business Conference sponsored by the Western District Education Committee in co-operation with the Board, at Hillsboro, in April; a Vocations Conference for Women in April in Wichita; a Meeting of Mennonite Mutual Aid Societies in Chicago in July; Mennonite Homes and Hospitals meeting held in Chicago in February.

4. Pre-draft mailing program launched: A total of about 500 fellows, sixteen and seventeen years old, were listed by pastors in U. S. churches. These have been placed on a mailing list to receive special peace literature on a monthly and bi-monthly basis about thirteen times, beginning with the 17th birthday of each fellow.

5. New Peace Literature: The following new pieces of peace literature were prepared and are available from the board office: "Are You Sure?" "Shall I Go Noncombatant?" and "An Open Letter from a Baptist Minister to Mennonite Youth." The peace quarterly, "Youth and Christian Love," is now in its second edition.

6. Mennonite Disaster Service: This work encouraged by our Board has taken rapid strides toward greater maturity during this past year particularly in the Kansas, Oklahoma, Nebraska, South Dakota, Illinois, Ohio, and Indiana areas.

7. Mutual Aid: Through the investment of special estate and regular mutual aid

funds a third colony could be established and two health centers were instituted in Uruguay, and numerous loans were made available to individuals in the United States and Canada. Additional investment funds are sought for such purposes.

Ask for the folder "Fruits of Our Fields" which shows a convert from each of our areas. In the total there are thousands who have found their Lord on our mission fields. In a true sense the General Conference Mennonite Church is contributing to the innumerable host from every tribe and nation and tongue who stand before the throne of the Lamb with palms in their hands, crying with a loud voice, saying: "Salvation unto our God who sitteth on the throne, and unto the Lamb." Let us rejoice, and praise God for the opportunity we have to carry out His command: "Go ye into all the world . . . make disciples."

MEETINGS OF THE GENERAL CONFERENCE STARTED with 3 churches, 94 years later there are 237 churches

In the case of the sound motion picture, "Call of the Cheyenne," it is wise to give a first, second and third choice of *dates* when requesting this.

When ordering slide sets, please give a choice of *subjects*.

When ordering *any* of these visual aids, please do so as far in advance as possible, telling us what you would like to have, the name of the church, and the name and address of the individual to whom the material is to go. There is no charge for the use of these aids, but it is assumed that offerings for missions come to us, marked for the specific purpose you had in mind, or better—for Board of Missions.

We have individual posters on the various fields, home and foreign, as well as fine sets of descriptive posters from Japan.

Collections of curios, some small and some large, are available from China, Colombia, Congo, and Japan.

At the time of death of a loved one or friend, many of our people prefer to make a cash gift to some worthy cause rather than give flowers.

MEADOWS MENNONITE HOME

Meadows, Illinois

Meadows Old People's Home located at Meadows, McLean County, Illinois, was legally organized a not-for-profit corporation under the laws of the State of Illinois, June 6th, 1919. The organization was formed by representative men from the Central and Defenseless Conferences of Mennonites and is supported by the several congregations of Mennonites who wish to co-operate in this work. The building was begun in 1922, the plans for which called for an administration building and an east and west wing. The west wing was built in 1951, completing the building. At this time the constitution and bylaws were revised and the name of the institution changed to MEADOWS MENNONITE HOME. Superintendents and matrons who have served the Home are Mr. and Mrs. J. H. Klassen, 2 years, Rev. and Mrs. G. I. Gundy, 22 years, and Rev. and Mrs. Frank R. Mitchell, since March, 1947.

MINISTERIAL ORDINATION

There is still a need in the General Conference for great uniformity in the matter of ordaining ministers and the rights and duties with which a candidate is vested by virtue of his specific ordination. We trust that in the near future this will be accomplished.

The General Conference in its session of 1945 adopted certain principles of procedure which appear in the Minister's Manual. In order to make this important information available to a larger circle we give here a few excerpts, and regret that for lack of space we cannot reprint the complete statement. (The numbering of the paragraphs here is our own.)

1. Ordination should take place only after a person has been appointed to a definite field of service.
2. Before ordination the candidate should have served in a church, or churches, under the supervision of some constituted Conference or church authority for about one year if possible.
3. Letters of recommendation or statements regarding the candidate, his work and his fitness, should be available from each of the following:
 - a) A statement from the church or station at which the candidate last served, regarding the type and quality of his services.
 - b) A statement from the candidate's home church indicating his standing as a church member.
 - c) A brief autobiography together with a statement of the candidate's Christian experience leading to his call to the ministry.
 - d) Customary transcripts from schools attended above the eighth grade.
 - e) A written statement from the candidate as to his agreement (1) with the Statement of Doctrine as approved by the General Conference in 1941; (2) with the Mennonite peace principles; and (3) with the work of our Conference, its boards and institutions; and his willingness to support the same.
4. The candidate shall supply the General Conference Secretary with a complete record of all materials listed in paragraph 3 above, pertaining to his qualifications.
5. Any General Conference minister who hereafter ordains an evangelist, minister, missionary, or elder, shall within thirty days report such an ordination to the General Conference Secretary. (Report forms can be secured from Central Offices.)

ARE YOU MAKING YOUR WILL?

If so, remember that a bequest in a will is a way to be sure that something of your estate is left to the General Conference.

A bequest in your will can be either in cash, bonds, or property. And you can be sure that funds will be used for the purpose that you have chosen.

Some people say that they always intended to do something about making a will, but they are not sure how to go about it. In that case we suggest that you see a lawyer who will advise you and draw up the will just as you want it to be. Also, you may write or come to us for suggestions that may be helpful.

If you wish to give cash to the Conference by means of a bequest, the following statement or something similar should be included in your will:
